chip: PB-2015/185-G

City: Elche

Health: Very good.

Description: Vilma, along with her companion, Betty, are another abandonment case. Their current owner is leaving the industrial building where he keeps them and can't take them with him. He wants to take them to a pound, where we can't know what would become of them. They are very good and sociable with people. Do you want to give them the chance they deserve?
